

Timeless Adventure in Indonesia: Dive Triton Bay to Raja Ampat

Damai II Liveboard
March 12th to 24, 2019

Join Optical Ocean Sales for a 12 night cruise on the luxurious Damai II liveboard cruising from Triton Bay to Raja Ampat! This cruise features a wide range of areas with unique diving opportunities to photography everything from the smallest macro shrimp to whale sharks!

Trip Itinerary: Departing from Kaimana, Papua, the Damai II will make its first stop at the fishing bagans in the hope of seeing some whale sharks. Diving in Triton Bay is breathtaking with a kaleidoscope of soft corals, reef fish and macro subjects with some iconic dive sites like Little Komodo and David's Rock.

Once leaving the bay our next destination is Momon where we will dive a hard coral covered seamount before taking a dip in a fresh water waterfall that runs right into the sea!

We'll head north to Pulau Pisang for a day of diving on a seamount and a macro dive amongst boulders with the chance of pygmy seahorses.

From here we head into Raja Ampat and the colorful softcoral-covered reefs around the island of Misool where we can enjoy the pinnacles at Wayilbatan and Fiabacet or a nice drift along the channel at Neptune Fan Sea.

We will continue north to the island of Penemu for some world class coral reefs, like Melissa's Garden, and the photo opportunity of the lagoon from the top of the viewpoint. Moving west to Gam where there are beautiful orange soft corals at Citrus Ridge and fish action at Mayhem before exploring the wonders found under famous Arborek Jetty.

Our last stop will be at the eastern end of the Dampier Straits. We will spend the day here diving iconic sites like Cape Kri, Blue Magic and Mioskon enjoying the schooling fish, cruising sharks and maybe rays. Our liveboard cruise ends in Sorong.

MV Damai II: This beautifully designed wooden boat was designed to offer a personal luxury service, that only a vessel of this size, that is dedicated to small groups can provide. With a length of 40 meters (130 feet) and a beam of over 9 meters (29.5 feet) the vessel has 7 staterooms with a choice of single cabins, twins, doubles or two spacious master cabins with private balconies. All cabins are furnished with queen or king sized beds, and ensuite heads. There is a spacious indoors camera room like found in a resort. Optical Ocean Sales will be aboard to help you get the most of your underwater photography.
