

TR-L Flat Tray and Handles

OO-IDAS-TRL--2xHDGN - **or** - OO-IDAS-TRL-2xHB-05 - **or** - variations of TR-L Tray with HB-01, HB-05 or HD-GN handles

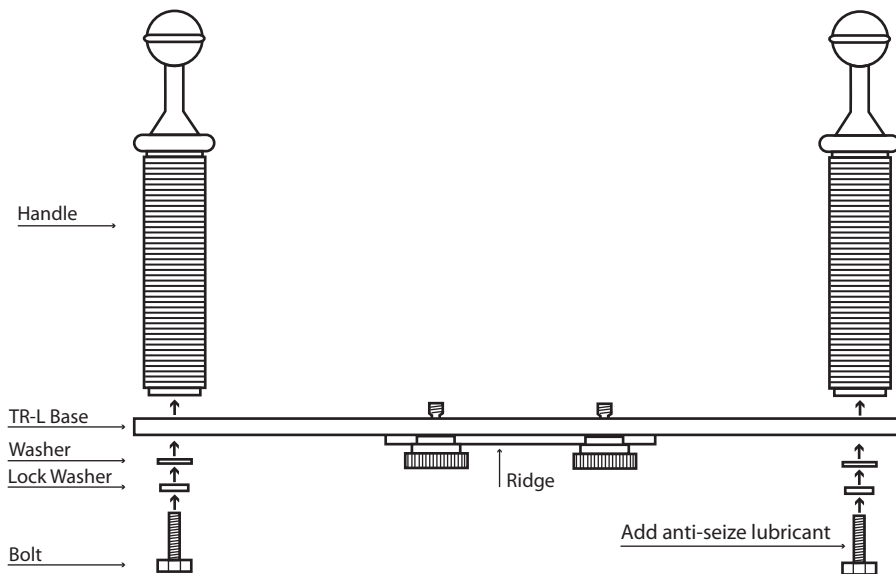

PARTS - How they are shipped

(Your parts may vary)

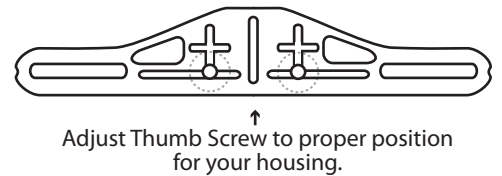

ASSEMBLY

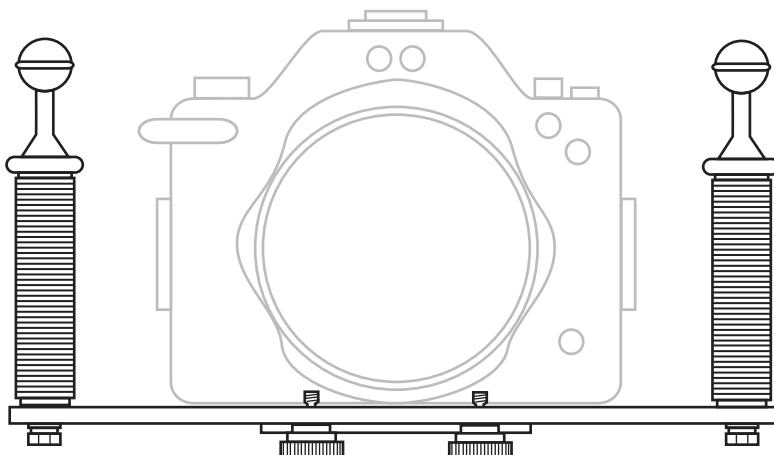

Tools needed:

Allen wrench & adjustable wrench.

Add anti-seize lubricant to all threads going into aluminum.

READY TO ADD YOUR CAMERA HOUSING!

Optional: Center section can be flipped over in order to utilize the Ridge (to keep compact cameras with only one screw hole from spinning).
